

# WETA MARINE 4.4m TRIMARAN

## *Performance Sailing for Everyone!*

---

THE 4.4m WETA TRIMARAN IS A BRILLIANT NEW DESIGN THAT LOOKS GREAT, IS FUN TO SAIL, SIMPLE TO RIG AND FITS INTO YOUR GARAGE.

**Versatile** - Sail the Weta single-handed or in any combination of kids, teens and adults - as the Weta accommodates up to three adults easily. Use various main, jib and screacher sail options to suit yourself and the conditions. The Weta is a very exciting and versatile recreational trimaran for all levels of sailors.

**Easy To Rig** - The Weta can be rigged in 20 minutes by just about anyone. The carbon mast and extrusions make stepping the mast and mounting the amas an easy task. The perfectly balanced aluminum beach dolly gives you a perfect rigging platform and launching dolly.

**Simple To Sail** - Well balanced and easy to helm on all points of sail, the Weta is a great learn to sail boat that is easy to tack and has no boom to threaten your head. Take the Jib off to de-power in strong winds or to let the kids sail on their own. The roller furling screacher adds exhilarating downwind performance .

**Fun to Race** - The Weta is a fun and challenging boat to race both single handed and with crews. Strict One Design Class Rules are in place to insure competitive and performance racing for everyone.

**Easy To Transport** - At just under 6 feet wide collapsed, the Weta stores easily in most garages. Custom Road King Trailers are available and make transporting the boat a breeze.

The All Inclusive Weta Package includes main, jib and screacher, custom beach dolly, carbon foils, custom foil bag and full boat cover.

●  
Main Hull and Outrigger Colors are Red, Yellow, Green & Light Grey.

●  
Main and Jib Sails are a clear mylar laminate and are complemented by colorful reachers.

●  
Quality Components with Sails by Gaastra, Harken Hardware along with a Carbon Rudder and Daggerboard.
